Refined Free Flow Iodised Salt

Refined Free Flow Iodised Salt is a high-purity table salt specially processed to remain free-flowing and clump-free, even in humid conditions. It is fortified with iodine, an essential micronutrient that helps prevent iodine deficiency disorders such as goitre and supports healthy thyroid function. The salt undergoes multiple refining stages to eliminate impurities and ensure uniform crystal size and white appearance. Anti-caking agents are added to enhance flowability. Ideal for daily household use and food processing, this salt ensures both taste and health benefits. Hygienically packed, it meets national food safety standards for purity, iodine content, and overall quality.
